The Board of Gulshan Polyols Limited (GPL) met today to approve Unaudited Financial Results for the Quarter and Nine Months ended December 31, 2020.

Briefing by Dr. Chandra Kumar Jain, Chairman and Managing Director of Gulshan Polyols on the Company's performance:

"During the quarter, we worked diligently by assuring employees' safety while continuing to serve our customers by running our operations successfully. On back of streamlined operations, we continue to deliver higher volumes. We are setting up and expanding Gulshan Polyols for its next phase of growth and are confident to deliver superior value to our stakeholders in a sustainable manner."

“Our operational discipline and focused cost optimization programs, leveraging technology are driving our cost lower and is evident in our financial performance. Our unwavering focus on working hard is enabling us to stay ahead of the curve and deliver leading returns”

As announced previously, the Country Liquor business has become a feather on the cap of Company’s performance in the Distillery segment which is doing exceptionally well due to processing and supply of ‘Ethanol’ to ‘Public Sector Companies’ and contributing into revenue growth by Rs. 3655.76 Lakhs in Q3’FY21 vs. Q3’FY20.

Further, Company’s performance in the Grain Processing business has grown in revenue by Rs. 3349.89 Lakhs in Q3’FY21 vs. Q3’FY20, due to good demand and improved pricing of select products.

The earnings in the third quarter of FY21 reflects a convincing performance, signaling a gradual revival from the negative impact of the global pandemic. The recovery in demand to pre-Covid levels, credible resumption of supply chain and logistics, cost & cash management, along with judicious price increase, has helped us to deliver profitability.”

Moreover, on the basis of recent developments including operational and financial performance of the company for FY20 (Audited) and H1FY21 (Un-Audited) and the possible impact of the same on the credit profile of company, CARE Ratings Limited (CARE), has reaffirmed its credit rating, for the facilities and the rating stands at ‘CARE A+; Stable’ (Single A Plus; Outlook: Stable) for long-term facilities and ‘CARE A1+’ (A One Plus) for short-term facilities.

Business/Future Outlook

- Company has kicked off the process of setting up a 300KLPD Grain based Ethanol Manufacturing Facility at its existing site at Chhindwara, Madhya Pradesh for which process for applying environment clearance and ordering of Plant & Machinery has already started. The project is expected to be on stream shortly after receiving of Environmental Clearance.
 - Based on **Government of India's 'Ethanol Blending Petroleum Programs'** of selling petrol blended with Ethanol upto 20% by 2030 (Currently it is blending 5% Only), the Management is very much enthusiastic about future outlook of Ethanol Business, so it is exploring new locations as per the suitability of the project. Moreover, Company is on track of expansions in Fructose and Sorbitol Business.
 - We have seen substantial improvement in demand quarter by quarter, including, during December 31, 2020, too. Overall, we expect robust performance in Grain and Distillery segments in the last quarter of FY21 too.
