

# Annual Summary Report on CSR activities for the financial year 2021-22

## Brief Outline of the company's CSR Policy

### Introduction

Our strategy includes nurturing close and continuous interaction with the people and communities around our manufacturing divisions, bringing qualitative changes in their lives, and supporting the underprivileged.

Our focus is on the all-round development of the communities around our plants located mostly in distant rural areas with a focus on the following:

- a) Enhance the quality of life of the people in areas surrounding the plant and offices;
- b) Create a positive impact by making sustainable developments in the society and promoting good environmental practices;
- c) Be a responsible and responsive corporate citizen through endeavors to create a safe, harmonious, and ecologically balanced environment for its members and the community at large;
- d) Maintain a commitment to quality, health, and safety in every aspect of the business and people.

In line with CSR Policy and in accordance with **Schedule VII to the Companies Act, 2013**, the Company has undertaken the following CSR projects:

- a) Promoting Education
- b) Providing Sanitation Facilities
- c) Promoting Healthcare including preventive healthcare
- d) Ensuring Environment Sustainability
- e) Rural Development

The Company has undertaken the above CSR activities directly and also through a registered trust or registered society having an established track record of more than 3 years in undertaking similar activities.
